EXPLANATORY MEMORANDUM

This explanatory memorandum has been prepared for the information of shareholders of Red 5 Limited in connection with the business to be considered at the forthcoming annual general meeting of the Company and should be read in conjunction with the accompanying notice of meeting.

ANNUAL FINANCIAL REPORT

The financial report of the Company for the year ended 30 June 2018 (including the financial statements, directors' report and auditors' report) was included in the 2018 annual report of the Company, a copy of which is available on the Company's web-site at www.red5limited.com.

There is no requirement for shareholders to approve these reports. However, time will be allowed during the annual general meeting for consideration by shareholders of the financial statements and the associated directors' and auditors' reports.

RESOLUTION 1 – RE-ELECTION OF STEVEN TOMBS AS A DIRECTOR

Mr Steve Tombs was appointed as a non-executive director of the Company since the last annual general meeting. In accordance with Clauses 7.1(c) and 7.1(i) of the Constitution and ASX Listing Rule 14.4, any director appointed to fill a casual vacancy or as an additional director holds office until the next annual general meeting of shareholders and is then eligible for re-election.

Mr Tombs therefore retires at the forthcoming annual general meeting in accordance with the Constitution and being eligible, has offered himself for re-election at the meeting.

Mr Tombs was formerly General Manager Operations for the Company before his retirement on 31 July 2018. Mr Tombs was appointed as a non-executive director on 1 August 2018. Mr Tombs is a mining engineer with over 40 years' experience in the mining industry in Australia and overseas. Mr Tombs graduated from Nottingham University in 1976 and was previously Red 5's General Manager at the Darlot gold mine and the Underground Project Manager at the Siana gold mine in the Philippines. Mr Tombs previously held senior management positions at AngloGold Ashanti, Placer Dome and Newcrest in the Eastern Goldfields of Western Australia.

The Board (other than Mr Tombs) recommends that shareholders vote in favour of the re-election Mr Tombs as a director of the Company. The Chairman of the meeting intends to vote all available proxies in favour of Resolution 1.

RESOLUTION 2 – RE-ELECTION OF IAN MACPHERSON AS A DIRECTOR

In accordance with Clause 7.1(d) of the Constitution, at every annual general meeting, one third of the directors in office (other than any managing director) must retire by rotation and are eligible for re-election. In addition, pursuant to ASX Listing Rule 14.4 and Clause 7.1(e) of the Constitution, no director may hold office without re-election beyond the third annual general meeting following the meeting at which the director was last re-elected.

Mr Macpherson therefore retires at the annual general meeting in accordance with the Constitution and being eligible, has offered himself for re-election at the meeting.

Mr Macpherson is a chartered accountant with over 30 years' experience in the provision of financial and corporate advisory services. He was a former partner at Arthur Anderson & Co managing a specialist practice providing corporate and financial advice to the mining and mineral exploration industry. Mr Macpherson established Ord Partners in 1990 (later to become Ord Nexia) and has specialised in the area of corporate advice with particular emphasis on capital structuring, equity and debt raising, corporate affairs and stock exchange compliance for publicly listed companies. Mr Macpherson is chairman of the Audit Committee and the Remuneration Committee.

The Board (other than Mr Macpherson) recommends that shareholders vote in favour of the re-election of Mr Macpherson as a director of the Company. The Chairman of the meeting intends to vote all available proxies in favour of Resolution 2.

RESOLUTION 3 – REMUNERATION OF NON-EXECUTIVE DIRECTORS

ASX Listing Rule 10.17 and Clause 7.3(a) of the Constitution provide that the maximum aggregate amount of the remuneration payable to non-executive directors is to be determined by shareholders in general meeting.

Resolution 3 seeks the approval of shareholders to increase the maximum fees payable to non-executive directors in each financial year from \$500,000 to \$650,000 in aggregate, being an increase of \$150,000, to be apportioned between them as determined by Board resolution. The current level of fees paid to non-executive directors amounts to a total of \$448,950 per annum, inclusive of statutory superannuation contributions.

The proposed new aggregate fixed sum per annum has been determined after considering the number of non-executive directors on the Board and reviewing comparable companies listed on the ASX.

The proposed aggregate sum is not intended to be distributed in full. The unused portion will enable the Company to appoint additional directors in the future, if that is considered desirable in the circumstances and to allow for possible fee increases in the future in line with market conditions or significant changes to the Company's business.

During the preceding 3 years, a total of 2,649,984 ordinary shares have been issued to non-executive directors with approval under Listing Rule 10.11 or 10.14 as set out in the table below.

Issue of Securities to Non-Executive Directors

Listing Rule	Non-executive director	Date	Type of security	Number of securities
10.14	Kevin Dundo	02.05.17	Ordinary shares issued in lieu of directors fees pursuant to NED Plan	707,547
10.14	Colin Loosemore	02.05.17	Ordinary shares issued in lieu of directors fees pursuant to NED Plan	589,623
10.14	Kevin Dundo	05.10.17	Ordinary shares issued in lieu of directors fees pursuant to NED Plan	487,013
10.14	Colin Loosemore	05.10.17	Ordinary shares issued in lieu of directors fees pursuant to NED Plan	405,844
10.14	Ian Macpherson	05.10.17	Ordinary shares issued in lieu of directors fees pursuant to NED Plan	459,957

The Chairman of the meeting intends to vote all available proxies in favour of Resolution 3.

RESOLUTION 4 – REMUNERATION REPORT

The Remuneration Report is contained in the Directors' Report section of the Company's 2018 annual report. The Remuneration Report describes the underlying principles and structure of the remuneration policies of the Company and sets out the remuneration arrangements in place for directors and senior executives.

The Corporations Act requires that a resolution to adopt the Remuneration Report be put to the vote of shareholders of the Company. Shareholders should note that the vote on Resolution 4 is advisory only and is not binding on the Company or the directors. However, the directors take the discussion at the meeting and the outcome of the vote into account when considering the Company's remuneration practices.

The Chairman of the meeting intends to vote all available proxies in favour of Resolution 4.

RESOLUTION 5 – APPROVAL FOR ISSUE OF SERVICE AND DEFERRED RIGHTS TO MARK WILLIAMS

The Company proposes to issue a total of 1,625,470 Rights to the Managing Director of the Company, Mark Williams, in satisfaction of the deferred component of the Short Term Incentive (STI) earned during the 2018 financial year.

Under the terms of his executive employment agreement, Mr Williams is entitled to a short term incentive performance bonus based on the achievement of pre-determined milestones and targets. These milestones are selected from group, functional and individual level objectives, each weighted to reflect their relative importance and each with targets linked to the Board's expectations. The plan also has a financial gate to ensure that no performance bonus is payable when it would be inappropriate or unaffordable to do so.

Under the terms of the 2018 STI offer, any award is to be deferred at a rate of 50%, into Rights which may not be sold for specified periods. 25% of the award is to be deferred for 12 months which vest only if the participant remains employed at the end of the Measurement Period (**Service Rights**). 25% of the award is to be deferred for 24 months which are immediately vested but subject to disposal restrictions (which also apply to the Shares that result from exercise of the Rights) until the end of the second year following the year of the STI (**Deferred Rights**).

Following an executive performance review for the year, Mr Williams became entitled to a STI performance bonus of 54% of total fixed remuneration, based on the achievement of group and specific role related operational targets for the year ended 30 June 2018 including achievement of core EBITDA targets, completion of the acquisition of the Darlot and King of the Hills gold mines, the achievement of gold production and cost targets for the financial year and individual effectiveness. The financial gate of a minimum level of gold production based on a challenging work plan and operating budget was exceeded. Details of these operational targets are set out in the Company's 2018 annual report.

The share component of the awarded performance bonus amounted to \$132,801. The deemed issue price of the Shares is calculated on the volume weighted average price of the Company's Shares in the 14 days preceding the end of the Measurement Period being 30 June 2018, which for the relevant period was 8.17 cents per Share. Accordingly, the share component of the entitlement due to Mr Williams amounted to 1,625,470 Rights, comprising 812,735 Service Rights and 812,735 Deferred Rights.

Since the STI is a contracted component of remuneration that has been earned, where shareholder approval is not obtained, the equity component of the bonus is payable in cash or via on-market purchases, which do not require shareholder approval.

The Rights available under the Red 5 Rights Plan confer an entitlement to receive the value of an ordinary fully paid share in the capital of the Company for nil cash consideration, which may be satisfied in the form of Shares or cash.

Corporations Act requirements – Chapter 2E

Mr Williams is a director of the Company and thereby a related party. Section 208 of the Corporations Act provides that a public company must not give a financial benefit to a related party of the company unless: (a) the company first obtains the approval of shareholders, in the way set out in the Corporations Act, or; (b) the giving of the benefit falls within an exception in the Corporations Act.

The proposed issue of Rights to Mr Williams constitutes the giving of a financial benefit to a related party. The directors (other than Mr Williams) have determined that the proposed issue of Rights constitutes reasonable remuneration given the circumstances of the Company and the position held by Mr Williams. Accordingly, the proposed issue of Rights to Mr Williams falls within the “reasonable remuneration” exception set out in Section 211 of the Corporations Act so that member approval is not required for the purposes of Chapter 2E of the Corporations Act.

ASX Listing Rules requirements – Listing Rule 10.14

Listing Rule 10.14 provides that a company must not issue Equity Securities to a director of the company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. If approval is given by shareholders under Listing Rule 10.14, separate shareholder approval is not required under Listing Rule 10.11. As such, shareholder approval is sought under Listing Rule 10.14 as Resolution 5 proposes the issue of Rights to Mr Williams who is a related party of the Company by virtue of his directorship.

Pursuant to the exception in ASX Listing Rule 7.2(14), approval under ASX Listing Rule 7.1 is not required in order to issue equity securities to Mr Williams as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Rights to Mr Williams pursuant to Resolution 5 will not be included in the 15% calculation of the Company’s annual placement capacity pursuant to ASX Listing Rule 7.1.

Information required by ASX Listing Rule 10.14

In accordance with the requirements of ASX Listing Rule 10.15, the following information is provided in relation to the proposed issue of Rights to Mr Williams.

- (a) the Rights will be issued to Mark Williams (or his nominee).
- (b) the maximum number of Rights to be issued is 1,625,470.
- (c) a total of 1,356,970 Equity Securities (being 678,485 Service Rights and 678,485 Deferred Rights) have been issued under the STI plan to Mark Williams since the date of last approval, all of which were issued for no cash consideration.
- (d) senior executives are eligible to participate in the STI. Mark Williams is the only director that is eligible to participate (and has received securities under) in the STI at the date of this notice of meeting and explanatory memorandum.
- (e) the Company anticipates that the Rights will be issued on or around 21 November 2018 and in any event, no later than one month after the date of the meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules). It is noted that these securities can be issued up to 12 months after the meeting pursuant to ASX Listing Rule 10.15.7.
- (f) the Rights will be issued for no cash consideration as they are being issued as part of an executive compensation arrangement.
- (g) half of the Rights (812,735) will be issued as Service Rights which will only vest and become exercisable into Shares if Mr Williams is employed by the Company or a group company on 1 July 2019 (being 12 months from the end of the STI award period). The other half of the Rights (812,735) will be issued as Deferred Rights which will vest immediately upon issue and be exercised into Restricted Shares. The Restricted Shares will be subject to disposal restrictions for a period of two years from 30 June 2018. Shares issued upon the exercise of Rights will rank equally with all existing Shares on issue.
- (h) the deemed issue price of the Rights is 8.17 cents per Share.
- (i) no funds will be raised from the issue of the Rights.
- (j) no loans have or will be made by the Company in connection with the relevant Rights.
- (k) a voting exclusion statement for Resolution 5 is included in the notice of meeting preceding this explanatory memorandum.

Sections 200B and 200E of the Corporations Act

The Corporations Act restricts the benefits that can be given to persons who hold a “managerial or executive office” (as defined in the Corporations Act) on leaving their employment with the Company or any of its related bodies corporate.

Under Sections 200B and 200E of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a managerial or executive office if the benefit is approved by shareholders or an exemption applies.

Amendments to the Corporations Act in 2009 significantly expanded the scope of these provisions and lowered the threshold for termination benefits that do not require shareholder approval. The term “benefit” has a wide meaning and may include benefits resulting from the Board exercising certain discretions under the terms of Mr Williams’ short term incentive entitlements, including the discretion to determine the accelerated vesting or automatic vesting of Rights in certain circumstances.

Under the terms of Mr Williams’ short term incentive plan, he may become entitled to accelerated vesting or automatic vesting of shares if there is a change of control of the Company or upon cessation of employment in certain circumstances or as determined by the board. Accordingly, shareholder approval is sought for Mr Williams to be given any such benefit in connection with his retirement from office or employment with the Company if that occurs within 3 years of the date of this meeting.

The value of the benefit will depend on the number of shares that may vest and the market value of the shares at the time of cessation of employment.

Terms of the Red 5 Rights Plan Rules

The key terms of the Red 5 Rights Plan Rules, under which the deferred STI is to be granted, is summarised as follows:

- Participants must be employees of Red 5 Limited (or a group or associated company);
- A Right is the entitlement, upon vesting, to the value of a Share in the Company, which may be satisfied in the form of cash or Shares;
- Three types of Rights may be offered being:
 - Deferred Rights which are immediately vested but which are subject to disposal restrictions, and which attach disposal restrictions to the Shares that result from exercise of the Rights, for specified periods,
 - Service Rights, which vest if the participant remains employed by the Company on a specified date, subject to the clauses related to termination, and
 - Performance Rights, which are tested for vesting at a specified date and which are subject to performance conditions;
- Exercise of Rights is automatic following vesting;
- The exercise price is nil and the acquisition price is nil, unless otherwise determined by the Board,
- Termination in the case of:
 - Special Circumstances will result in pro-rata forfeiture of unvested Rights, related to the portion of the year in which the Rights are granted that will not be served, and remaining unvested Rights will remain on-foot following the termination, and any disposal restrictions will be removed,
 - Special Circumstances relate to death, disablement, redundancy or retrenchment etc.,
 - Other circumstances will result in unvested Rights being forfeited at the date of termination, and any disposal restrictions applied to Shares held by the incumbent will be removed;
- Vested Rights that are to be satisfied in the form of Shares may be acquired via:
 - on-market purchases of Shares, or
 - subscription to a new issue of Shares,

- The Board has discretion to make adjustments to the terms of offers and to vesting outcomes, including in the case of terminations, where it is deemed appropriate, in its sole discretion.

Directors' recommendation

The directors (other than Mr Williams) recommend that shareholders vote in favour of Resolution 5. The Chairman of the meeting intends to vote all available proxies in favour of Resolution 5.

RESOLUTION 6 – APPROVAL TO ISSUE PERFORMANCE RIGHTS TO MARK WILLIAMS

Background

In accordance with the terms of the employment agreement for Mark Williams as Managing Director of the Company, Mr Williams is entitled to participate in the Company's Rights Plan. The Board proposes to issue 4,020,808 Performance Rights to Mr Williams (or his nominee) subject to the approval of shareholders. The issue of the Performance Rights represents the Long Term Incentive (LTI) component of Mr Williams' remuneration for the 2019 financial year.

Key terms of Performance Rights

Each Performance Right will entitle the holder to one ordinary fully paid share (provided the Directors have not otherwise determined to satisfy the Performance Right in cash) upon satisfaction of certain vesting conditions.

The measurement period applicable to each tranche in each offer of Performance Rights is three years unless otherwise determined by the Board (**Measurement Period**).

The Performance Rights will vest on the following basis, noting that the grant represents the maximum/stretch opportunity, and that the expectations for Target performance are that only 50% of the Performance Rights will vest in relation to those metrics that are scaled (binary/milestone conditions only have Target outcomes and no Threshold or Stretch levels):

- (a) 50% of the Target level of Performance Rights (2,010,404 Performance Rights) will be tested for vesting based on assessment of the achievement of the Company's Total Shareholder Return (TSR) relative to the TSR of S&P/ASX All Ordinaries Gold Index percentile ranking over the Measurement Period as set out in the following table:

Company's TSR performance relative to TSR performance of S&P/ASX All Ordinaries Gold Index during the relevant Measurement Period	Portion of Performance Rights that vest
Threshold: Company's TSR is less than or equal to the TSR of S&P/ASX All Ordinaries Gold Index	Nil
Company's TSR is greater than the TSR of S&P/ASX All Ordinaries Gold Index but less than the TSR of S&P/ASX All Ordinaries Gold Index plus 10% TSR CAGR of TSR of S&P/ASX All Ordinaries Gold Index	Pro-rata
Target: Company's TSR is the TSR of S&P/ASX All Ordinaries Gold Index plus 10% TSR CAGR of the S&P/ASX All Ordinaries Gold Index	50%
Company's TSR is greater than the TSR of S&P/ASX All Ordinaries Gold Index plus 10% TSR CAGR of S&P/ASX All Ordinaries Gold Index but less than the TSR of S&P/ASX All Ordinaries Gold Index plus 20% TSR CAGR of S&P/ASX All Ordinaries Gold Index	Pro-rata
Stretch: Company's TSR is greater than the TSR of S&P/ASX All Ordinaries Gold Index plus 20% TSR CAGR of the S&P/ASX All Ordinaries Gold Index	100%

For example, in the event the Company's TSR is equal to the TSR of S&P/ASX All Ordinaries Gold Index plus 5% TSR CAGR of the S&P/ASX All Ordinaries Gold Index, the number of Performance Rights that will vest is 502,601 (being 25% of this tranche of the Performance Rights; the mid-point between the "Threshold" and "Target" levels of vesting).

- (b) 20% of the Target level of award of Performance Rights (804,161 Performance Rights) will be tested for vesting based on growth in the Company's Ore Reserves (Proved and Probable) during the Measurement Period, in accordance with the following vesting scale:

Total Growth in the Company's Ore Reserves over the Measurement Period (3 years)	Portion of Performance Rights that vest
<15%	Nil
Threshold: 15%	25%
Target: 20%	50%
Stretch: 35%	100%
Outcomes between specified performance and award levels	Pro-rata

For example, in the event the total growth in the Company's Ore Reserves over the Measurement Period is 20%, a total of 402,080 Performance Rights will vest (being 50% of this tranche of the Performance Rights; the "Target" level of vesting).

Note: The binary conditions do not have a stretch outcome and will either vest or not vest without being subject to scaling.

- (c) 20% of the Target level of award of Performance Rights (804,161 Performance Rights) will be tested for vesting at the end of the Measurement Period against the following vesting scale relating to budgeted operating costs per ounce or AISC in respect of all three of the financial years within the Measurement Period (averaged):

Company's Operating Costs as % Budgeted Operating Costs (averaged over 3 years)	Portion of Performance Rights that vest
>95%	Nil
Threshold: 95%	25%
Target: 90%	50%
Stretch: 80%	100%
Outcomes between specified performance and award levels	Pro-rata

For example, on the basis the Company's operating costs were 85% budgeted operating costs, a total of 603,120 Performance Rights would vest (being 50% of this tranche of the Performance Rights; the mid-point between the "Target" and "Stretch" levels of vesting).

- (d) 10% of the Target level of award of Performance Rights (402,082 Performance Rights) will be tested for vesting against safety compliance conditions at the end of the Measurement Period as set out in the following table:

Performance measure	Hurdles
Safety compliance	<ul style="list-style-type: none"> - no fatalities; - maintenance of the ISO14001 and ISO18001 certifications; and - year on year improvement in TRIFR safety performance

Notes:

1. *The binary conditions do not have a stretch outcome and will either vest or not vest without being subject to scaling.*
2. *All of the outcomes in this category must be achieved in order for any Performance Rights to vest and no partial vesting will occur for partial achievement of the sub-conditions.*

- (e) As a requirement additional to those outlined at (a) to (d), vesting of all Performance Rights is also conditional on the following gates being exceeded:
- a positive TSR for the Measurement Period; and
 - 80% of budgeted gold production by 30 June 2019.

An unvested Performance Right will automatically lapse upon the earlier of:

- (a) the elapsing of any opportunities for the Performance Rights to vest, noting that Performance Rights lapse automatically if they fail to vest and no retesting opportunities apply;
- (b) a determination by the Board, acting reasonably, that Mr Williams has committed an act of fraud, defalcation or gross misconduct in relation to the Company;
- (c) Mr Williams ceasing to be an employee for any reason other than retirement, permanent disability or death; or
- (d) the occurrence of any other event as set out in the Rights Plan.

The Performance Rights are otherwise to be granted on the terms of the Rights Plan as summarised in the explanatory memorandum in relation to Resolution 5.

The Performance Rights will not be transferable until after they are exercised, except to a legal personal representative of Mr Williams in the event of his death or permanent disability.

The Company will issue Shares to Mr Williams (or his nominee) as soon as practicable after the vesting of Performance Rights. The Shares allotted will be of the same class and will rank equally with all other issued Shares in the Company at the date of issue, but may remain subject to disposal restrictions in accordance with the Company's trading policy and the terms of the Offer. The Company will apply for quotation of the new Shares on ASX within the period required by the ASX Listing Rules.

If the Company reorganises its capital, Performance Rights on issue will also be reorganised in accordance with the ASX Listing Rules, such that Mr Williams does not receive a benefit that holders of ordinary shares do not receive.

There are no participating rights or entitlements (including to participate in new issues) inherent in the Performance Rights (before their exercise into Shares if applicable) and Mr Williams will not be entitled as a result of holding Performance Rights to vote at meetings of shareholders, receive dividends or participate in surplus profits or assets of the Company upon a winding up.

ASX Listing Rule 10.14

ASX Listing Rule 10.14 states that a listed company must not permit a director to acquire securities under an employee incentive scheme without the approval of shareholders by ordinary resolution. Mr Williams is a director of the Company. Accordingly, shareholder approval is being sought under ASX Listing Rule 10.14 for the issue of Performance Rights to Mr Williams.

The following information is provided to shareholders for the purposes of Listing Rule 10.15A:

- (a) the Performance Rights will be issued to Mr Mark Williams (or his nominee), a director of the Company;
- (b) the maximum number of Performance Rights to be issued is 4,020,808 and the maximum number of Shares to be issued upon vesting of the Performance Rights is 4,020,808;

- (c) the Performance Rights will be granted for nil consideration and the Shares to be issued upon vesting of the Performance Rights will be issued for nil consideration. Accordingly, no loan has been or will be given to Mr Williams in relation to the grant of Performance Rights under the Rights Plan and no funds will be raised from the issue or vesting of the Performance Rights;
- (d) a total of 18,243,200 Performance Rights have been issued under the Rights Plan since it was adopted by the Directors on 16 August 2017 and last approved by shareholders on 22 September 2017, including 5,616,400 Performance Rights issued to Mark Williams in September 2017. The balance of 12,626,800 Performance Rights were issued to senior management and operating personnel on 23 March 2018 in accordance with Long Term Incentive Plan entitlements pursuant to Red 5 Rights Plan. All Performance Rights were issued for nil cash consideration;
- (e) Mr Williams is the only executive director of the Company and as at the date of this notice of meeting is the only director eligible to participate in the Rights Plan; however, in accordance with the definition of Eligible Participant in the Rights Plan, it is possible that in the future the Board may determine that any other executive director may become eligible to participate in the Rights Plan;
- (f) details of any Performance Rights issued under the Rights Plan will be published in each annual report of the Company relating to a period in which Performance Rights have been issued and that approval for the issue of Performance Rights was obtained, if required, under ASX Listing Rule 10.14. Any additional personnel who become entitled to participate in the Rights Plan after this resolution was approved and who were not named in the notice of meeting will not participate until shareholder approval is obtained, if required, under ASX Listing Rule 10.14;
- (g) the Performance Rights are anticipated to be issued within one month of the meeting but will be issued no later than 3 years after the meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules); and
- (h) a voting exclusion statement is included in the notice of meeting.

ASX Listing Rule 7.1

If Shareholders approve Resolution 6 pursuant to ASX Listing Rule 10.14, then approval is not required for the purposes of ASX Listing Rule 7.1. Accordingly, if Resolution 6 is approved and the 4,020,808 Performance Rights are issued, these will not be included in the calculation of the Company's 15% annual placement capacity pursuant to ASX Listing Rule 7.1.

Corporations Act – Chapter 2E

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a Related Party of the Company (which includes a director) unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) shareholder approval is obtained to the giving of the financial benefit.

The proposed issue of Shares by the Company to Mr Williams in settlement of any vested Performance Rights constitutes the giving of a financial benefit to a Related Party of the Company.

However, the directors (other than Mr Williams) have determined that the proposed issue of Performance Rights constitutes reasonable remuneration given the circumstances of the Company and the position held by Mr Williams. Accordingly, the proposed issue of Performance Rights to Mr Williams falls within the "reasonable remuneration" exception set out in Section 211 of the Corporations Act so that shareholder approval is not required for the purposes of Chapter 2E of the Corporations Act.

Corporations Act – Sections 200B and 200E

The Corporations Act restricts the benefits that can be given to persons who hold a "managerial or executive office" (as defined in the Corporations Act) on leaving their employment with the Company or any of its related bodies corporate.

Under Sections 200B and 200E of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a managerial or executive office if the benefit is approved by shareholders or an exemption applies.

The term “benefit” has a wide meaning and may include benefits resulting from the Board exercising certain discretions under the terms of Mr Williams’ long term incentive entitlements, including the discretion to determine the accelerated vesting or automatic vesting of Performance Rights in certain circumstances (as summarised in the explanatory memorandum in relation to Resolution 5).

Under the terms of the Rights Plan, the Board may exercise its discretion to accelerate vesting if deemed appropriate, including in connection with a termination. However, there is no trigger to vest Rights upon cessation of employment and it should be noted that any vesting triggered by a change in control event is not a termination benefit. Accordingly, the default termination benefit limit is intended to apply.

Directors recommendation

Each of the Directors (excluding Mark Williams) believes that the approval in relation to the issue of the Performance Rights to Mark Williams is in the best interests of Shareholders as a whole. The Directors (excluding Mark Williams) recommend that shareholders vote in favour of Resolution 6 and each of the directors (excluding Mark Williams) intends to, the extent not excluded, vote any Shares they own in favour of Resolution 6.

The Chairman of the meeting intends to vote all available proxies in favour of Resolution 6.

RESOLUTIONS 7 to 10 – APPROVAL OF ISSUE OF SHARES PURSUANT TO NON-EXECUTIVE DIRECTORS SHARE PLAN

Background

The Red 5 Non-Executive Directors Share Plan (the **NED Plan**) was last approved by shareholders at the Company’s 2017 annual general meeting. The purpose of the NED Plan is to provide non-executive directors of the Company with the ability to sacrifice their directors’ fees to acquire ordinary fully paid shares in the capital of the Company. The salary sacrifice serves as an effective cash preservation mechanism whilst further aligning the interests of directors with those of shareholders of the Company.

ASX Listing Rule 10.14 provides that a company must not issue or agree to issue securities under an incentive plan to a director, or an associate of a director, without the approval of shareholders.

Pursuant to the exception in ASX Listing Rule 7.1(14), approval under ASX Listing Rule 7.1 is not required in order to issue shares to the non-executive directors of the Company as approval is being obtained under ASX Listing Rule 10.14. Accordingly, the issue of shares to the non-executive directors of the Company pursuant to Resolutions 7 to 10 will not be included in the 15% calculation of the Company’s annual placement capacity pursuant to ASX Listing Rule 7.1.

The Company seeks approval for the issue of Shares to its non-executive directors (Kevin Dundo, John Colin Loosemore, Ian Macpherson and Steven Tombs) under the NED Plan, for the purposes of ASX Listing 10.14 and for all other purposes.

Summary of NED Plan and ASX Listing Rule 10.15

In summary, and in accordance with the requirements of ASX Listing Rule 10.15, the following information is provided in relation to the proposed issue of shares to the non-executive directors of the Company under the proposed NED Plan:

- (a) the persons for whom approval is sought under ASX Listing Rule 10.14 are Kevin Dundo (Resolution 7), Colin Loosemore (Resolution 8), Ian Macpherson (Resolution 9) and Steven Tombs (Resolution 10), each of whom are non-executive directors of the Company.

- (b) each non-executive director who wishes to participate in the NED Plan must provide notice to the Company indicating the percentage of their directors' fees that they elect to sacrifice under the terms of the NED Plan. The specified percentage must be at least 10% (unless otherwise determined by the Board) and may be up to 100%.
- (c) the maximum number of securities that can be issued under the NED Plan is the total remuneration of the non-executive directors exclusive of superannuation, being up to \$650,000 (subject to Resolution 3 being passed) in the current financial year (noting that as at the date of this notice of meeting, the anticipated maximum remuneration of non-executive directors for the current financial year is \$410,000 exclusive of superannuation), divided by the issue price of the shares (as determined in paragraph (e) below). In any case, the total number of shares in any financial year that can be issued pursuant to the NED Plan will not exceed 5% of the Company's outstanding issued capital at any time.
- (d) the Company, at its discretion, may either issue new ordinary fully paid shares to the non-executive directors or procure that shares are acquired on the ASX in the name of the eligible non-executive directors under the NED Plan.
- (e) each non-executive director will be provided with the number of ordinary fully paid shares in the Company equal to the amount of fees sacrificed by the director in the relevant year, divided by:
 - in the case of shares being purchased on the ASX, the average price paid for shares on the ASX under the plan (inclusive of costs associated with their acquisition); or
 - in the case of shares being issued by the Company, the volume weighted average price for sales of the Company's shares on ASX for the five trading days immediately leading up to the date of the issue of the shares.

For the purposes of Listing Rule 10.15.2, the maximum number of Shares that will be issued pursuant to Resolutions 7 to 10 is 2,200,000 Shares to Mr Dundo (Resolution 7), 1,730,000 Shares to Mr Loosemore (Resolution 8), 1,910,000 Shares to Mr Macpherson (Resolution 9) and 1,640,000 Shares to Mr Tombs (Resolution 10), which amounts have been calculated based on those parties' remuneration (excluding superannuation) divided by a notional issue price of \$0.055 per share, rounded up.

- (f) no shares have been issued under the NED Plan since it was last approved at the Company's 2017 annual general meeting.
- (g) the Company will issue the shares under the NED Plan from time to time, but in any case, it will not issue any shares under the NED Plan more than 12 months after this annual general meeting pursuant to any approval granted under Resolutions 7 to 10.
- (h) there are no restrictions on the transfer of shares issued to the non-executive directors under the NED Plan.
- (i) the NED Plan is administered by the Board who, subject to the ASX Listing Rules, the Corporations Act and any other regulatory requirements that apply to the Company, may by resolution amend or vary the NED Plan provided that no such right may, without the consent of the participant, in any manner adversely affect their rights under any share rights already granted under the NED Plan.
- (j) no loans have been or will be made by the Company in connection with the NED Plan.
- (k) a voting exclusion statement for Resolutions 7 to 10 are included in the notice of meeting preceding this explanatory memorandum.

The following amendments to the NED Plan may be made by the Board without the approval of shareholders:

- any amendments necessary to ensure that the NED Plan is in compliance with the ASX Listing Rules and any other applicable legal requirements;
- amendments that are of an administrative nature;

- amendments to the definitions of Eligible Persons under the NED Plan unless such changes would expand the class of Eligible Persons; and
- amendments to the manner in which the NED Plan is administered.

The following amendments to the NED Plan will require shareholder approval:

- amendments to the maximum number of ordinary shares in the Company that may be issued to any one participant under the NED Plan;
- amendments to the provisions with respect to the assignment of share rights;
- amendments which would expand the definition of persons eligible to participate in the NED Plan;
- amendments to the amending provisions of the NED Plan; and
- amendments to reduce the price at which shares are issued under the NED Plan.

If a non-executive director ceases (for whatever reason) to be a director during a year:

- (a) but before any Shares have been provided to that Eligible Director under the NED Plan in respect of that financial year, no Shares will be provided to the non-executive director in relation to the financial year, but the Company must pay to the Eligible Director the amount, in cash, equal to the portion of the sacrificed amount for that year on a pro-rata basis;
- (b) but before all Shares have been provided to that Eligible Director under the NED Plan in respect of that financial year, no further Shares will be provided to the Eligible Director, but the Company must pay to the Eligible Director the amount, in cash, equal to the portion of the sacrificed amount for the year that remains unsatisfied by the issue of Shares, on a pro-rata basis; or
- (c) but after all Shares have been provided to that Eligible Director under the NED Plan in respect of that financial year, the Eligible Director must pay to the Company the amount, in cash, equal to the portion of the sacrificed salary that remains unearned, on a pro-rata basis.

An analysis of any Shares issued to non-executive directors during the year will be included in the Company's annual report for the relevant year.

Recommendation

The Managing Director, Mark Williams, who is the only director not entitled to participate in the NED Plan, recommends that shareholders vote in favour of Resolutions 7 to 10. The Chairman of the meeting intends to vote all available proxies in favour of Resolutions 7 to 10.
