Special order site visit - Siana Mine

The Company has been advised of a snap inspection of the stabilised tailings storage facility (which is the subject of the current Cease and Desist order) today.

The inspection party comprises engineers from the Mines and Geosciences Bureau and the Environmental Management Bureau in Manila, together with regional representatives including the local Provincial Engineering Office.

The multidisciplinary team is required to report its findings and recommendations back to the Mines and Geosciences Bureau within 15 days.
